THE BRAINIAC TREND
MARKETING FIRM!

Digital!

"Making the most out of your website, getting traffic and conversions"

TBT Digital:

“Making the most out of your website, getting traffic and conversions”

In The Brainiac Trend's digital service, we take your website as the core component in your sales strategy, through different methods we bring in traffic to your website and therefore conversions.

Explaining TBT Digital – Step by Step:

Step 1: We take control of your website, run tests and issue recommendations.

Step 2: Changes are made in reflection of recommendations.

Step 3: A strategy is introduced to drive traffic (SEO & Keywords strategy + articles and Google Ads)

Step 4: The strategy is worked on and results are brought in.

Package Includes:

- Digital Strategy
- Website Optimization & Maintenance
- Website Analytics
- Most beneficial keywords
- Google PPC and CPC Ads
- Search Engine Optimization
- Landing Page Creation & Optimization
- Weekly blog Posting (Plus)

Additional Integrations:

Cold Emailing: Another superb way of getting adding on the conversions are sending bulk emails to your target market, this way businesses can create an additional stream of leads and therefore conversions.

Social Media Subscription: A subscription filled with creative posts or videos to maintain social media accounts of the businesses to add value.

Lead Gen Ads: In this service we run targeted ads on multiple social media forums to capture leads (info on interested clients, such as name, email, contact and more) these leads are matured and then converted.
